Are there a few song titles or artists you would specifically like to hear (or dedicate to someone?) Please write some of your favorites:

Song Title	Artist

Please note that J&M Productions strives to carry all the musical selections that you require for your reception. Sometimes I do not or can not get certain recordings that you would like to have played. I ask that if you have these recordings on CD and that you bring them with you on the day of your reception and give them to me to ensure the song(s) will be on hand to play. One further suggestion is to request a few songs (due to time constraints) that your guests will be able to request during the event as well.

Song Title	Artist

Are there any songs that you definitely **DO NOT** want played at your reception?
